Order

No. 3/4/ID/ECI/LET/FUNC/JUD/SDR/VOL. II/2017

1. Whereas, Section 61 of the Representation of the People Act, 1951 provides that with a view to preventing impersonation of electors, so as to make the right of genuine electors to vote under Section 62 of that Act more effective, provisions may be made by rules under that Act for use of Electors Photo Identity Card for electors as the means of establishing their identity at the time of polling; and

2. Whereas, Rule 28 of the Registration of Electors Rules, 1960, empowers the Election Commission to direct, with a view to preventing impersonation of electors and facilitating their identification at the time of poll, the issue of Electors Photo Identity Card to electors bearing their photographs at State cost; and

3. Whereas, Rules 49H(3) and 49K (2) (b) of the Conduct of Elections Rules, 1961, stipulate that where the electors of a constituency have been supplied with Electors Photo Identity Card under the said provisions of Rule 28 of the Registration of Electors Rules, 1960, the electors shall produce their Electors Photo Identity Card at the polling station and failure or refusal on their part to produce those Electors Photo Identity Card may result in the denial of permission to vote; and

4. Whereas, a combined and harmonious reading of the aforesaid provisions of the said Act and the Rules, make it clear that although the right to vote arises by the existence of the name in the electoral roll, it is also dependent upon the use of the Electors Photo Identity Card, where provided by the Election Commission at State cost, as the means of establishing their identity at the time of polling and that both are to be used together; and

- (xi) Official identity cards issued to MPs/MLAs/MLCs;
- (xii) Aadhaar Card.

9. In the case of EPIC, clerical errors, spelling mistakes, etc. should be ignored provided the identity of the elector can be established by the EPIC. If an elector produces an Electors Photo Identity Card, which has been issued by the Electoral Registration Officer of another Assembly Constituency, such EPICs shall also be accepted for identification provided the name of that elector finds place in the electoral roll pertaining to the polling station where the elector has turned up for voting. If it is not possible to establish the identity of the elector on account of mismatch of photograph, etc. the elector shall have to produce one of the alternative photo documents mentioned in para 8 above.
